

INTERNATIONAL CONFERENCE

# Basic Mechanisms of Ageing and Clinical, Preventive, and Interventional Aspects of Longevity

## INVITATION

You are kindly invited to attend the international conference

### Basic Mechanisms of Ageing and Clinical, Preventive, and Interventional Aspects of Longevity,

taking place on **June 11, 2026** at the **Lithuanian Academy of Sciences in Vilnius.**

The conference will bring together leading scientists, clinicians, and policymakers from around the world to discuss the latest advances in ageing research ranging from genetic and molecular mechanisms to innovative clinical and preventive strategies for healthy longevity. The program includes expert presentations, panel discussions and a special **Healthy Ageing and Longevity Award Ceremony.**

Join us for a day of insightful discussions, international collaboration, and forward-looking perspectives on extending human healthy lifespan.

Participation in the conference is free of charge.

**Registration**

THE CONFERENCE IS ORGANIZED BY
